4. Naming of the city.—When two or more local areas bearing different names are constituted into a city, the name of the city shall be determined by the Government.

5. Inclusion and exclusion of areas in, or from, the city.—(1) The Government may, subject to the provisions of sub-section (2), by notification,—

(a) include within the limits of the city, any local area adjacent thereto; or

(b) exclude from the limits of the city, any local area comprised therein;

and every such notification shall define the limits of the local area to which it relates.

(2) The power to issue a notification under sub-section (1) shall be subject to the following conditions, namely:—

(a) a draft of the proposed notification shall be published in the official Gazette for the information of all persons likely to be affected thereby inviting objections and suggestions within three months from the date of such publication;

(b) a copy of the draft notification shall be referred to the corporation for expressing its views thereon within the period specified; and

(c) such draft shall not be further proceeded with until after the period spcified in clause (a) has expired.

(3) Save as otherwise provided in this Act or any other law for the time being in force, when a local area is excluded from the city,—

(i) the rights and liabilities of the corporation in such area shall vest in the Government; and

(ii) the Government shall after consulting the corporation determine what portion of the corporation fund and all other property vested
